REPORT UNDER MCL 552.520

CHILD SUPPORT COLLECTIONS & DISBURSEMENTS

--INTRODUCTION--

This report of Child Support Collections and Disbursements is prepared quarterly under MCL 552.520 as an informational management tool in regards to the Michigan Child Support Program

The data is reported in two main categories, Available Collections and Disbursed Collections

Available Collections are the total child support payments received at the State Disbursement Unit (SDU) or County collection point, which can reasonably be identified as a child support collection, during the reporting quarter. Collections include the amount due for both arrears and past due (arrears) support. There are two main collection tables in this report. One identifies the source of collections, broken down into six categories. See Table 1. The other report provides details on how much of the available collections were disbursed. See Table 14. Table 1 only reflects new collections received in the quarter, while Table 14 includes both new collections and undisbursed collections remaining from prior quarters.

Disbursed Collections are the total child support payments, which are disbursed via check, electronic fund transfer (EFT) or other means to the intended final recipient, during the reporting quarter, to cases. The final recipient includes the custodial family and/or Federal/State agencies. See Table 3.

There are six sub categories to Disbursed Collections, which are based on for whom the collections are disbursed. This includes the following: Current IV-A Assistance (ie: TANF/FIP); Current IV-E Assistance (ie: Foster Care); Former IV-A Assistance; Former IV-E Assistance; Medicaid Never Assistance (ie: Never TANF/FIP or Foster Care); and, Other Never Assistance. See Tables 4 to 9.

These same six sub categories can also be reclassified into three categories, which are based on to whom the collections are disbursed. This could be to either the Federal or State government, as a Foster Care reimbursement of TANF/FIP/Foster Care expense for Child Support Clients who are or had received Public Assistance. To the Federal or State government, as a reimbursement of Medicaid expense for Child Support Clients who are or had received Medicaid Assistance. Or to the custodial family as a Child Support or Medial Support payment, as mandated by a court order. See Tables 10 to 13.

All states under the Title IV-D Program are required to make collections on behalf of the custodial families living in other states. These funds are collected and then forwarded to the corresponding State for processing. See Table 2.

All of the disbursed collections data mentioned above is in regards to IV-D Program Clients (ie: those receiving IV-A/IV-E/Medicaid Assistance or non-assistance clients who requested IV-D type services with their Child Support Case). Disbursements also are made to Non IV-D Clients. See Table 15.

No conclusions have been or should be drawn from the data. Its use is subject to interpretation. Should you have any questions regarding this report, please contact Wayne Maybaugh at the Office of Child Support. Email contact at maybaughw@michigan.gov

NOTES: The information in this document is derived from two sources: 1) Data provided by the child support enforcement system (MiCSES); and, 2) Data entered by the Office of Child Support. All of the data is accumulated on the data warehouse and referred to as OCSE-34A data. The information in these tables agrees with information in the corresponding sections of the OCSE-34A Report. Select historical statistics could be skewed because of new data collection categories being added within the last five years and/or changes in circuit court organizational structures. N/A = Not Available; TANF = Temporary Assistance to Needy Families; and, FIP = Family Independence Program.
